Today Adventure Kids Studied:

God's love for us is seen
throughout the Bible.

Think on This:

Remember God loves me, His love is everlasting, and nothing can separate me from His love.

>>>OBSERVATION<<<

Ask your child to name one thing he or she learned from this week's lesson.

Response

Encourage your child to identify at least one thing he or she can do in response to this week's lesson.

Next Step

Show my love for God through my words and actions.

Explore Together

Write "God Loves You" on index cards or small pieces of construction paper. Allow family members to decorate the cards or pieces of construction paper. Encourage family members to give them to different people with whom they come in contact with (server at a restaurant, postal worker, cashier at the store, etc.). Be sure they only distribute them when you are with them as a safety precaution.

I made up hand motions for my application verse and showed them to someone.

Color the face for each day you do this!
