

Request for Assistance

Valley Forge Free Will Baptist Church

Due to the high demand for assistance on Churches and other organizations and the biblical mandate for us to be "good stewards" and managers of money given in good faith to God, we have several requirements / policies that must be followed.

1. Requestors must have attended at least one Church service or be able to prove that they have attended a Church Service within the past week (especially since attendance is free & everyone is welcome!) unless there is a legitimate cause why they could not attend.
2. All requests must be presented in person (no phone, mail, or other type of solicitation will be accepted).
3. Following a service, you must present this form to the Church Benevolence Board and receive approval by a minimum of 3 members of that Board.
